DESKRIPSI

Buku ini menjelaskan tentang penambahan fitur **Settlement Engineering** pada aplikasi MPOS.

Fitur ini berfungsi untuk untuk menampilkan data settlement berdasarkan department.

PT Sarana Digital Ritel

1. Settlement Engineering

Langkah pertama saat ingin menggunakan Settlement Engineering adalah mengatur parameter “Settlement Engineering” menjadi “On”, serta atur otorisasi Supervisor pada penggunaan nya.

The screenshot shows the 'Setup' menu in the dRetail application. The 'Settlement' section is expanded, revealing various configuration options. The 'Settlement' option is currently set to 'On'.

The screenshot shows the 'Settlement Engineering' configuration screen. The 'Settlement Engineering' toggle is set to 'On'. Below the toggle, there are sections for 'Automatic Journal per Branch', 'Overnight Sales Report', 'Authorization Features By Supervisor', and 'Service'. The 'Authorization Features By Supervisor' section includes options like 'Discount Item', 'Discount Bill', 'Entertain', 'Settlement', 'Inventory', 'Compliment', 'Void Bill', 'Void Item', 'Print Copy Receipt', 'Change Table', 'End of Day', 'Settlement Service', 'Change Price', 'Cancel Table', 'Cancel Reservation', 'Report', 'Transfer Item', 'Print Last Order', and 'Service Editable on Tablet'.

Maka pada transaksi penggunaan nya sebagai berikut :

Masuk ke menu settlement engineering, untuk melakukan settlement per department

Flow

Menu → Activity → Settlement Engineering

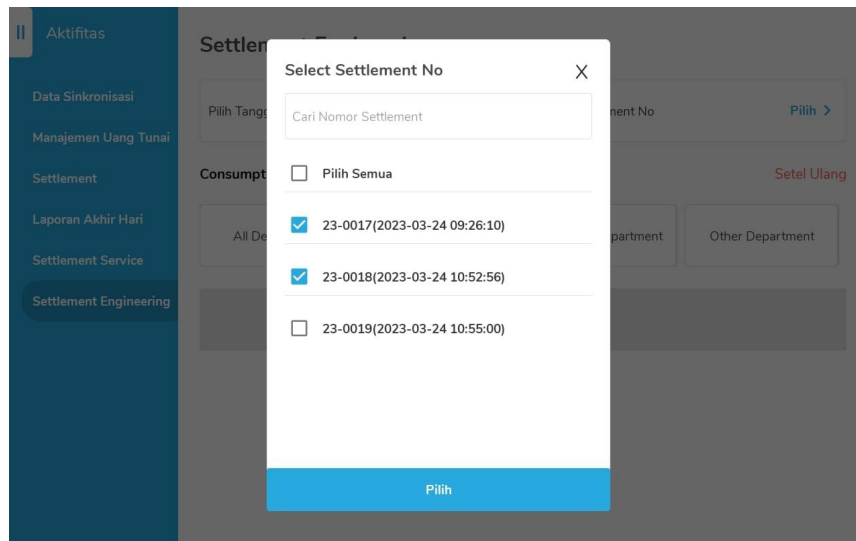

1. Settlement Engineering

A. Pilih range tanggal untuk menentukan list settlement sesuai range

Setelah range tanggal dipilih maka no settlement yang tampil akan sesuai dengan range tanggal

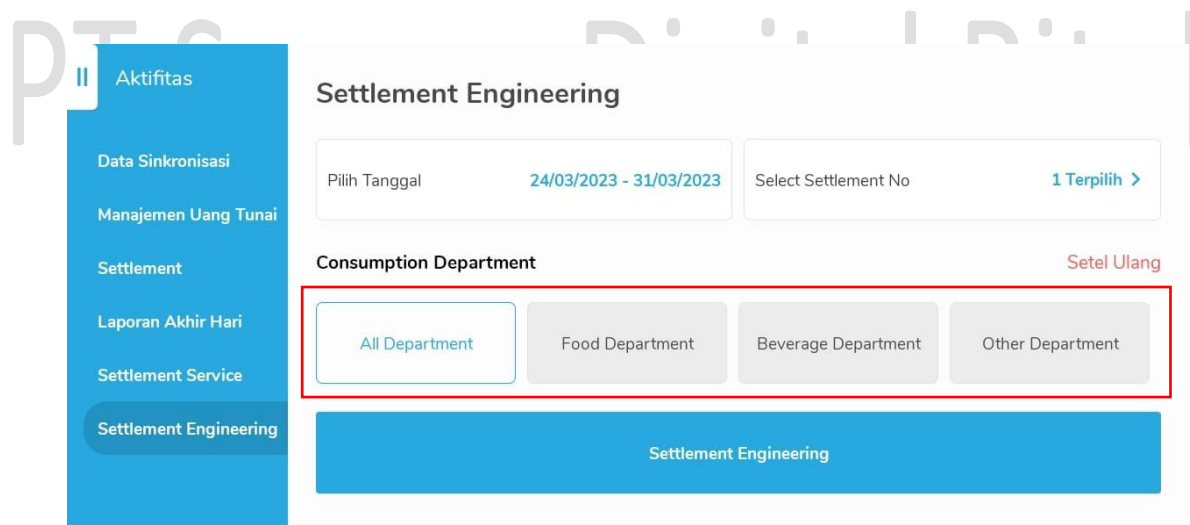

B. Pilih nomor settlement

Pilih pada checklist box untuk memilih settlement, dapat lebih dari 1

C. Pilih Consumption Department yang akan di cetak

Dapat dipilih "All Department" yang artinya department lain tidak akan bisa dipilih

Atau sesuai dengan kebutuhan print settlement department

- Selain all department, department lain dapat dipilih lebih dari 1
- Setelah itu, klik **Settlement Engineering** untuk mencetak settlement

D. Klik Setel Ulang untuk mereset pengaturan consumption department

E. Settlement Engineering, klik tombol ketika parameter sudah di isi

- Maka system akan menampilkan **"Settlement Engineering Preview"**
- Klik **"Konfirmasi Settlement"** untuk mencetak settlement

Setelah itu, maka settlement engineering akan di cetak secara otomatis

Contoh → All Department

Transaksi Sales dan Compliment Dipisahkan oleh judul **"Sales"** dan **"Compliment"**---
